On Friday May 24th, starting at 17h, LA CHAMBRE BLANCHE invites you to a very particular event - an auction for animated GIF. A première for the centre, this friendly evening will show the work accomplished during the animated GIF workshop, given by Boris Dumesnil-Poulin on May 11th and 12ve 2013. The six participants - Caroline Gagné, François Lamontagne, Anne-Marie Bouchard, Marie-Pier April, Frédérique Laliberté and Cyrielle Tremblay - will put on auction their animated pieces, thus giving an opportunity to the public to acquire a real digital work of art and, consequently, to encourage contemporary art. All welcome to this festive event !

- N.B. :
1. Artists receive 100% of the sell profits.
  2. The animated works will only be projected during the event. The buyer will have the privilege to own the purchased GIF and to manage it as he/she wishes.
